Jim Butterfield Stadium

On September 19, 1992, before a crowd of 4,417 fans, which included former players and then-NCAA executive director **Dick Schultz**, South Hill Field was renamed Jim Butterfield Stadium. The move by the Ithaca College Board of Trustees placed the name most associated with the school's football program on the facility. **Butterfield** joined Grambling's **Eddie Robinson** and **Roy Kidd** of Eastern Kentucky as college football's only active coaches to have their home field named for them.

Recognized as one of the top natural-grass facilities in Division III football, Butterfield Stadium has seating capacity for approximately 5,000 spectators, although crowds of more than 10,000 fans have attended games there—including a facility-record 12,620 for the 2001 Cortland game.

The original stadium was completed in the summer of 1958. On September 27, 1958, Ithaca hosted East Stroudsburg in the first regular-season game on South Hill Field. Trailing 6-0 at halftime, Ithaca rallied behind an **Al Cain** five-yard touchdown run and a scoring pass from **Bob Ryan** to future Ithaca College Athletic Hall of Fame member **Dick Carmean**. The Bombers' 14-6 win snapped a streak of eight consecutive losses to the Warriors.

Ithaca has posted undefeated home records 15 times since 1958. Since the NCAA adopted a three-division format in 1973, Ithaca has lost just 29 games at home, with 11 of those coming at the hands of Division II opponents. Ithaca is 13-5 in NCAA playoff games at the facility and 2-1 in ECAC postseason competition.

The Bombers have won over 80 percent of their Butterfield Stadium/South Hill Field games. In 1998 the Bombers celebrated their 200th game at South Hill Field/Butterfield Stadium by beating St. Lawrence, 60-0. During coach **Jim Butterfield**'s 27-season career, the team's home record was 117-25-1, a winning percentage of .822.

A number of improvements have been made since the facility was first used in 1958, including the latest renovation—a new scoreboard and message board installed in 2004. The press box, which was constructed in 1960, was renovated in 1985 and again in 1998. New bleachers were added in 1978, as was the track that surrounds the football field. The track, resurfaced most recently in 1997, has played host to championships in the Independent College Athletic Conference, the Empire Athletic Association, the New York State Women's Collegiate Athletic Association and the Eastern College Athletic Conference.

One of the school's most successful athletic programs, the Ithaca football team also ranks among the top programs in the nation. The many highlights of Bomber football include:

- Three NCAA Division III football championships, a total surpassed only by Augustana and Mount Union.
- Seven appearances in the Division III national championship game, the Amos Alonzo Stagg Bowl.
- Totals of 40 playoff games and 27 wins (both among the Division III leaders).
- The fourth-best winning percentage in Division III (.660).
- Eight Lambert/Meadowlands Cups, presented to the top small-college program in the East each season; and nine Eastern College Athletic Conference (ECAC) team of the year trophies.
- ECAC championships in 1984, 1996, 1998 and 2004.

Four years ago the Bombers recorded the program's 400th victory.

JIM BUTTERFIELD

Ithaca's Division III teams have been guided by coach **Jim Butterfield**, a 1997 inductee into the College Football Hall of Fame, and current coach **Mike Welch**, a player and assistant coach under Butterfield.

Following **Butterfield**'s retirement in 1993, **Welch** was named Ithaca's ninth head football coach. His first team finished the regular season with six consecutive wins to earn the program's 12th NCAA playoff berth. The Bombers posted playoff wins over Buffalo State (in overtime) and Plymouth State and nearly reached the Stagg Bowl, losing, 23-19, in the semifinals to Washington & Jefferson. Ithaca slipped to 5-4 in 1995 but was back in the postseason hunt again in 1996. The Bombers capped a 7-3 season with the ECAC Northeast championship, thanks to a 27-21 win at Worcester State. In 1997, a seven-game winning streak put Ithaca in the playoff race, but back-to-back losses by a total of eight points in the season's last two games knocked the Bombers out of postseason contention. The 1998 team won eight of 10 regular-season games, then routed Hartwick, 40-6, in the ECAC North championship. A year later Ithaca made its 17th postseason appearance, reaching the ECAC Northwest championship. In 2001 the Bombers made a run in the NCAA tournament for the second time under **Welch**. After a 9-1 regular season, the 2001 team traveled to Montclair State and Rensselaer to post two playoff wins. The Bombers then fell to Rowan to end the successful season. The 2003 season saw road wins over Brockport and Montclair State in the NCAA playoffs before a snowy loss at Rensselaer in the national quarterfinals. The 2005 team reached the NCAA playoffs for the 15th time and last fall the program was back in the playoffs again.

1980	

When **Butterfield** arrived at Ithaca in 1967 for his first collegiate head coaching post, Ithaca's schedule included top teams like Lehigh, West Chester, and C.W. Post. His first seven seasons produced a 29-29 record, before the program took off in the 1974 season.

Ithaca won 10 straight games that season, scoring over 25 points in all but one of those games. An NCAA playoff win over Slippery Rock put Ithaca into its first Amos Alonzo Stagg Bowl, where the team lost to Central (Iowa), 10-8. Ithaca won the Division III team offense title that year, averaging 487.9 yards per game, a total topped by only four teams since. The Bombers were back in the national championship game a year later, posting 10 straight wins (five by shutout). In one of those shutouts, a 61-0 win over Springfield, Ithaca's defense set Division III records for fewest total yards allowed (minus 50) and fewest rushing yards allowed (minus 94). In the playoffs, the Bombers topped Fort Valley and Widener before losing to Wittenberg, 28-0. All-Americans **Jerry**

Boyes, a quarterback, and running back **Dave Remick** were mainstays on those first two Stagg Bowl teams.

Wittenberg again eliminated the Bombers from the postseason in 1978, a season that saw Ithaca lead Division III in rushing offense (averaging 320.1 yards per game). A year later the Bombers upset the three top seeds on the way to the school's first national championship in any sport. Linebacker **John Laper**, the school's career leader in tackles, and running back **Bob Ferrigno**, who tops the program in postseason rushing yards, were two of the top players on that team. The Bombers were back in the Stagg Bowl in 1980 and 1985, and reached the semifinals in 1986.

The 1988 season brought another national championship. The Bombers were 9-1 in the regular season, posted an overtime win over defending champion Wagner in a first-round playoff game, avenged their regular-season loss to Cortland in the second round and defeated Ferrum in the semifinals to earn a sixth Stagg Bowl visit. Ithaca's 39-24 win over Central gave the program its second national championship. The Bombers set four playoff records: most points (159), first downs (91), net yards rushing (1,377) and total offense (1,719 yards).

Two freshmen who played in the 1988 championship game—quarterback **Todd Wilkowski** and kicker **Matt Sullivan**—were back in the Stagg Bowl again in 1991. **Wilkowski** set a number of school passing records as a senior. After a week-four loss to Springfield put postseason hopes in jeopardy, **Wilkowski** (who was inducted into Ithaca's Athletic Hall of Fame in 2002) engineered two scoring drives in the final minutes the following week against American International en route to a 23-20 win. Ithaca won its remaining four regular-season games and then beat Glassboro State, Union and Susquehanna in the playoffs to set up the Stagg Bowl return.

Ed Mahoney (80), who will be inducted into Ithaca's Athletic Hall of Fame this fall, earned all-America honors as both a punter and placekicker.

In the national championship game, **Wilkowski** passed for 262 yards and two touchdown passes and **Jeff Wittman** rushed for three touchdowns as Ithaca defeated Dayton, 34-20. Ithaca's 94 first downs and 1,867 yards in total offense were NCAA playoff records.

Ithaca made its 11th appearance in the NCAA postseason in 1992, but had its three-year streak broken in **Butterfield**'s last year.

Butterfield was named Kodak Coach of the Year by the American Football Coaches Association in 1988 and 1991, and earned District I honors from the same organization seven times: in 1974, from 1978-80, and again from 1984-86.

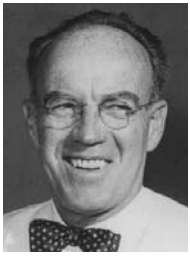
in 1979, 1988 and 1991, **Butterfield** was presented the Stan Lomax-Irving T. Marsh Award as Eastern coach of the year by the New York Football Writers Association. The 1988 season also brought him Division III coach of the year recognition from Chevrolet.

National recognition came to his players as well, with 85 of his Bombers winning 149 all-American spots.

LEONARD SCHRECK

Already a member of the Ithaca College Athletic Hall of Fame, **Butterfield** added to his long list of accomplishments in 1997 when he became the first member of the Bomber football program to earn induction into the College Football Hall of Fame.

Ithaca's football program began in 1930, under coach **Leonard Schreck**. At that time, Ithaca played a five-game schedule that included freshman teams from St. Lawrence and Colgate, and varsity teams from Mansfield, Hartwick and Cortland.



BUCKY FREEMAN

Coach **Bucky Freeman** took over in 1931 and led the Bombers to their first winning season, a 3-2 mark. His 13-year tenure featured nine winning seasons. **Freeman** coached back **Ken Patrick**, who still ranks among the program's rushing leaders with 1,500 yards.

Football was discontinued from 1943-45. Between 1946 and 1957, **Pete Hatch**, **Joseph Hamilton** and **Art Orloske** served as Ithaca's head coaches.

DICK LYON

The hiring of **Dick Lyon** in 1958 produced a resurgence in the program. On the heels of a 2-5 season, **Lyon**'s first team posted a 6-1 record in 1958. That team, captained by lineman **John Fasolino**, a member of the Ithaca Athletic Hall of Fame, held the opposition to eight points or fewer in six of seven games.

In 1959 an incentive was added to the already competitive Ithaca-Cortland rivalry. Team captains **Dick Carmean** from Ithaca and **Tom Decker** of Cortland joined to donate a traveling trophy, named the Cortaca Jug, to be presented to the winning team each year. Today the matchup is one of the most prominent in Division III. The last eight Cortaca Jug games held in Ithaca have attracted crowds of 9,500 or more.

Ithaca posted three straight 6-2 records from 1962-64. Among the standouts of the period were 1962 all-American running back **Bill O'Dell** and **Sam Curko**, a guard, linebacker and kicker who earned all-America honors in 1963. In 1965 the Bombers finished 8-0 for the program's first undefeated season. Quarterback **James Harris** passed for 1,269 yards and nine touchdowns that year.

Lyon's teams posted a winning record every season. In 1967 he joined the football staff at Army, opening the door for the arrival of **Butterfield**.

Doug Bencsko (16) is interviewed by John Dockery of ABC Sports following Ithaca's win in the 1979 Stagg Bowl while **Jim Butterfield** holds the school's first national championship trophy.

Dick Lyon Press Box

At a special ceremony held in 1998, the press box at Butterfield Stadium was renamed the Dick Lyon Press Box in honor of the former Bomber coach. The ceremony, which was part of Ithaca's Homecoming Weekend festivities, also coincided with the 40th anniversary of the first football game played at the facility (formerly known as South Hill Field).

A group of coach Lyon's former players spearheaded a fund-raising drive that enabled the school to make improvements to the press box, which includes private coaching booths for both teams and broadcast facilities for up to four radio stations.

Lyon's first year as head coach at Ithaca in 1958 also featured the team's move to South Hill Field. One of his team's early conditioning drills was to walk the length of the field picking up rocks on the new playing surface. Now known as Butterfield Stadium, the facility (including the Dick Lyon Press Box) is one of Division III's finest.

December 1

Ithaca	0	7	7	0	—	14
Wittenberg	7	3	0	0	—	10

PHENIX CITY, Ala.—Quarterback **Doug Bencsko** passed for one touchdown and ran for another, and the Bomber defense limited top-ranked Wittenberg to just 10 points to secure Ithaca's first national championship.

The win marked the fourth time in five tries that the Bombers had beaten an undefeated opponent.

The two teams scored on consecutive possessions in the first half. After recovering an Ithaca fumble in the first quarter, Wittenberg drove 51 yards on 11 plays to score the first points. The Bombers tied the game on their next possession, a 15-play, 76-yard drive capped by **Bencsko**'s 11-yard touchdown pass to split end **Jim Meyer**. The Tigers moved ahead again on a field goal with five seconds remaining in the first half.

Another long drive, this one covering 58 yards in 11 plays, led to **Bencsko**'s one-yard touchdown dive. The score, with 1:33 left in the third quarter, turned out to be the last of the game.

All four Tiger fumbles occurred in Ithaca territory, and two were recovered by the Bombers inside the15-yard line. Linebacker **Harry Moss** and nose guard **Don Phillips** each had 12 total tackles for Ithaca, and defensive back **Tony Smith** added 10. All-American linebacker **John Laper** and defensive tackle **Jimmy Hoffman** had nine tackles apiece.

Long-time NFL assistant coach **Tony Wise**, a 1973 Ithaca graduate, visited the Bombers' preseason camp in 2005 to work with the team's offensive linemen. **Wise**, a member of Ithaca's Hall of Fame, was a classmate of Bomber head coach **Mike Welch**.

Mike Welch, Head Coach

Ithaca College's ninth head football coach, Welch has continued the success of one of Division III's winningest programs. His teams have been consistent playoff contenders, and he owns a record of 112-41 (.732) as Bomber coach. He achieved another milestone in 2006 when he was elected to the American Football Coaches Association (AFCA) Board of Trustees, where he is one of just two Division III coaches.

Taking over for Jim Butterfield, one of college football's most successful coaches, Welch was college football's most successful rookie coach in 1994. He led the Bombers to a 10-3 record and the NCAA Division III semifinals that year.

He posted more victories (10) than any other first-year NCAA coach. For his efforts, Welch was named Division III coach of the year by *College Sports* magazine and Eastern Division III coach of the year (Stan Lomax-Irving Marsh Award) by the Football Writers of New York.

The 1996 season saw a return to postseason play for Ithaca. The Bombers started the season with five straight wins and at one point earned the top spot in the NCAA Division III East Region rankings. Ithaca won the ECAC Northeast championship by downing previously unbeaten Worcester State, 27-21. The 1998 and 199 teams also made ECAC playoff appearances. LINEBACKERS: Six letter-winners are back this season, with three starters (including a pair of all-conference selections) back. **Scalice** is the most experienced Bomber linebacker. Sophomore **Paul Helm** moves to inside linebacker after lettering as a defensive lineman last season. He made 10 tackles in nine games. Other candidates for playing time include sophomores **Sean Gil** and **Pat Scott**, who both played on Ithaca's junior varsity team a year ago.

Scanlon, an Empire 8 all-star and two-year starter, enters his senior season with three letters. His 128 career tackles include 28 tackles for loss. His 53 tackles and five tackles for loss both led the team's cornerbacks last year.

Another senior, **Chris Grady**, is the most experienced candidate for the other starting spot. A 2007 letter winner, **Grady** played in all but one game. Four sophomores who played on Ithaca's junior varsity team last fall will all push for playing time; **Aaron Castonguay**, **Tom Eschen**, **Chris McConnell** and **Tim Wood**.

Sophomores **Kevin Accetta** and **Tyler Rauber** are up from the junior varsity team.

Two letter-winners return at free safety: junior **Roniel Bencosme** and sophomore **David Ahonen**. **Bencosme** has played in 18 games (with one start) in his career. **Ahonen** appeared in all but one game as a Bomber rookie, recording 11 stops. Senior **Alex Darcey** and junior **Bobby DeForest** are returning varsity players as well.

SPECIAL TEAMS: Once again last season the Bombers fielded one of the nation's best special teams units. Ithaca ranked in the top 20 nationally in four categories, leading Division III in punt return average and ranking 11th in kickoff returns, 15th in punt return defense and 16th in net punting. In addition, The Bombers set a school record with five blocked extra-point attempts among their six overall blocked kicks.

After a week off, Ithaca travels to Norwich to play the Cadets for the last time in conference play (Norwich is leaving the Empire 8 after the 2008 season) then opens a three-week homestand by facing first-time opponent Frostburg State. League opponents Utica and Springfield visit Butterfield Stadium the next two weeks. The Bombers travel to ECAC participants Alfred and Cortland to finish the year. This marks the ninth year in a row that the Cortaca Jug — one of Division III's signature rivalries —will close out the regular season.

Ithaca celebrated three special teams touchdowns last fall.

ITHACA 31, Lycoming 6

Ithaca (1-0)	10	7	7	7	—	31
Lycoming (0-1)	0	0	6	0	—	6

Williamsport, Pa.—The Bombers opened their season with a win for the 27th time in 31 years, beating the host Lycoming Warriors 31-6.

Junior quarterback **Dan Juvan** threw for a career-best 309 yards, completing 22 of 32 completions, and matched a career-high with three touchdown passes. He threw a pair of second-half scoring passes to senior **Brian Hogan**, who made his first career start and had a career-best 148 receiving yards.

The Ithaca defense limited the Warriors to 74 yards through the air and 16 rushing yards. Lycoming's 90 yards of total offense marked the first time Ithaca had held an opponent under 100 yards since 2001.

Sophomore end **Adam Drescher** led the Bombers with career-best totals of nine tackles and four tackles for loss (including a seven-yard sack). **Drescher**, who was named Empire 8 Defensive Player of the Week and earned a spot on D3football.com's Team of the Week, forced a fumble (that the Bombers recovered inside their own 20), tipped a pass that senior strong safety **Ryan Terlecki** intercepted to set up an Ithaca touchdown and blocked the extra-point attempt after Lycoming's touchdown.

Senior linebacker **Billy Struzzi** and junior linebacker **Matt Scalice** matched **Drescher** with nine tackles apiece. **Struzzi** was in on two tackles for loss and **Scalice** recorded three. Senior linebacker **Mike Nowak** finished with two tackles for loss and recovered a Lycoming fumble.

Junior tight end **Brian Weverbergh** caught **Juvan's** first TD pass – a four-yard catch in the first quarter. Senior **Jamie Donovan** ran for a game-high 48 yards, including a three-yard touchdown. Freshman **Dillon Dwyer** kicked a 26-yard field goal to open the game's scoring and added extra points after all four Bomber touchdowns.

Senior **Nick Horowski** made his debut as Ithaca's punter and averaged 37.5 yards on six kicks (one was a 25-yard kick that stopped at the Warrior 11; his average on his other kicks was 40.2 yards per punt).

Ithaca's offensive line did not allow a sack as Ithaca attempted 35 passes.

ITHACA 29, King's 16

King's (0-2)	0	10	0	6	—	16
Ithaca (2-0)	0	19	3	7	—	29

ITHACA, N.Y. —The #26 Bombers rallied for a 29-16 win over visiting King's in a game that included an 80-minute lightning delay during the second quarter.

Senior running back **Jamie Donovan** ran for 144 yards and a pair of touchdowns as Ithaca erased a 7-3 Monarchs lead.

King's took a 7-3 lead early in the second quarter. The Bombers kicked a field goal on their next possession – a 23-yard kick by freshman **Dillon Dwyer** – and regained possession on an interception by junior cornerback **Jason Chier** with 3:47 left in the half. Two plays later, lightning forced the teams off the field and officials evacuated the stadium.

When play resumed, Ithaca needed just 2:44 to score a pair of touchdowns. **Donovan** scored on a two-yard run and after the Bombers forced a three-and-out from the King's offense, **Chier** ran the Monarchs' punt back 75 yards for his first career touchdown. He later added his second interception – a fourth-quarter pick in the end zone that ended the last King's threat.

King's closed to within six points with 8:42 left in regulation, but Ithaca sophomore defensive end **Adam Drescher** blocked the extra point and **Donovan's** 34-yard run capped Ithaca's next drive.

Donovan's 11th career 100-yard rushing effort made him the second Bomber to record a 100-yard game in each of his four seasons.

Junior quarterback **Dan Juvan** threw for 188 yards for the Bombers, whose top receiver was junior tight end **Brian Weverbergh**, with five catches for a career-best 104 yards. **Weverbergh** became the first Ithaca tight end to gain 100 yards in a game since 1997.

Senior strong safety **Ryan Terlecki** paced Ithaca with 11 tackles. Junior linebacker **Matt Scalice** and senior linebacker **John Scanlon** added 10 each. **Scanlon's** total was a career-high, as was his total of three tackles for loss.

Drescher collected eight tackles – two were for loss including a sack – and senior linebacker **Mike Nowak** finished with seven tackles and recovered a King's fumble.

THOMAS R. ROCHON
President

Thomas R. Rochon became the eighth president of Ithaca College on July 1, 2008. He holds a doctorate and a bachelor's degree in political science from the University of Michigan, where he graduated with high distinction. Prior to his selection as the president of Ithaca College, Rochon served as executive vice president of the University of St. Thomas, a master's comprehensive university in Minnesota, where he oversaw the university's eight schools and colleges and, with the chief administrative officer, shared responsibility for the $150 million university budget. He worked to develop the academic vision of each unit and to set strategic directions; reorganized academic programs to create the School of Engineering; and helped launch a capital campaign centered on endowment support of students and faculty. An engaged civic leader, Rochon championed a university effort to strengthen community service and partnership activities in St. Paul, leading to Carnegie Foundation classification for community engagement. Along with his administrative responsibilities, he was a tenured professor in St. Thomas's political science department.

Rochon has an extensive history of accomplishments as an educator and academic administrator. Before his position at St. Thomas, as executive director of the Graduate Record Examinations program at the Educational Testing Service (ETS), Rochon was responsible for determining program policy under the oversight of the board and the ETS vice president for graduate and professional education. He guided the addition of analytical writing to the test, the first use of an essay in the GRE program; he also developed and implemented a program to empower universities to create their own test prep courses for graduate programs. He has held positions in the top leadership at prominent universities: dean of the School of Politics and Economics at Claremont Graduate University and assistant master of Dean Mathey College at Princeton University. He also held the post of assistant professor in the politics department at Princeton University for eight years.

Rochon came to Ithaca College with a distinguished record of scholarly research. His work focuses on contemporary European politics and social movements in Europe and the United States. He is the recipient of numerous grants and awards, including the Distinguished Scholarship Award of the Collective Behavior and Social Movements section of the American Sociological Association, and the Susan Louise Dyer Peace Fellowship at the Hoover Institution on War, Revolution, and Peace at Stanford University. Rochon was also a Fulbright lecturer at Kobe University in Japan. His 1998 book, Culture Moves: Ideas, Activism, and Changing Values, received a Distinguished Scholarship Prize from the American Sociological Association and was named by Choice an outstanding academic book of 1998. He has given periodic lectures and seminars on Dutch politics for embassy personnel of the U.S. Department of State and has served on numerous advisory and other boards, including the President's Advisory Board of the Universidad Anáhuac del Sur in Mexico City.

Since childhood Rochon has been an avid baseball card collector. He developed an interest in older cards, including those dating from the 1880s, and is an active user of the eBay online auction site.

Rochon is married with no children. His wife, Amber, until recently worked in a shelter that provided temporary accommodation to teenage girls; she is looking forward to continuing her work in the Ithaca community.

He is a past president of the Empire 8 athletic conference. Kutler spent 10 years as women's soccer coach at Hartwick (1986 to 1993 and again in 2001 and 2002) and guided the Hawks to five appearances in the NCAA championship tournament.
